We Could Make Believe

. . . life is just a song. With that supposition in mind, the Quill Staff has prepared your yearbook in hopes that it may show you that the everyday occurrences, even school, can be fun if you only find the good side of things.

As you look back at this book, we hope you will remember all your teachers, friends, and the good times you had here at "dear old East High" with fond memories, forgetting some of the disappointments life brings, and make your life a song.

Administrators and Advisors

MR. O. G. PRICHARD
Principal

I Know That You Know

Our principal, Mr. O. G. Prichard, has done much to make our school progressive and active. Through his efforts, East High has won a great deal of respect.

MR. D. Q. WILLIAMS
Vice-Principal

Mr. D. Q. Williams, our vice-principal and boys' advisor, is kept extremely busy scheduling our sports events and directing the night school as well as helping the boys with their problems and taking charge in Mr. Prichard's absence.

Miss Agnes Helmreich, our girls' advisor, works hard to help students plan parties and banquets throughout the year, and to counsel the girls in East High. What's more, she sponsors several clubs and directs the student council.

MISS AGNES HELMREICH
Girls' Advisor

In East High we have Mrs. Dorothy Crouthamel, secretary, and Miss Deloit Romig, registrar, who do a fine job taking care of student needs, keeping a record of everyone in school, and handling the business of our school.

Our school nurse, Mrs. Alice Clark, takes care of sick students during school and checks students when they return to see if they are well enough to be in school without harming themselves or others.

It is the important task of our librarian, Miss Carrie Larson, to keep the books in order, as well as to check books in and out to the students for pleasure reading or studying.

Student Council

It is not hard to choose the most important student organization we have here at East. It is the Student Council. It is the job of this group to consider new plans for our school and to help direct the various activities throughout the semester. One representative and one alternate are elected from each homeroom, and it is the job of these representatives to report back to their homerooms about the decisions and ideas expressed in Student Council meetings.

This semester the members who were elected as officers are William Moody, president; Robert Peel, vice-president; and Alice Farrer, secretary. Under the direction of these capable leaders, and with the help of Miss Helmreich as advisor, our Student Council has done much to help East High to be a better and more active school.

Drake Cadet Teachers

The cadet teachers who come to East High to do practice teaching are gaining valuable experience from watching the regular teacher and from taking over the class themselves. This semester we are fortunate to have cadets from Drake as well as from other colleges.

Student Teachers

The East High students who are asked to take over a class in the absence of the regular teacher are chosen from the senior class by Mr. Gregory. The students benefit much from their experience as teachers, for many of them plan to become regular teachers someday.

Nineteen seniors have worked together this semester to put out the best memory book of high school days that we have, the Quill. Under the direction of the editors, Katherine Henry and Diane Simpson, and the section editors, Ruth Mattson, Lupe Zepeda, Ann Treadway, and DyAnn Carlson, the staff has worked hard to bring out the June, 1952, Quill.

The girls who are chosen to be members of the clerical staff here at East High truly seem to be the "merry secretaries." They seem always to be cheerful and friendly as they run around doing the various jobs that help make the office, and consequently the whole school, run more smoothly.

Library Staff

Even though we sometimes forget the librarians who do their work so quietly and efficiently, they are very important to our school. All of us need to use the library at one time or another, and it is the library staff members who are always ready to help us by finding books, checking them out, and keeping them in order.

Hall Monitors

If anyone happens to be "passing by" in the halls during class periods, he must have his pink pass handy for the monitors. The monitors are students who volunteer to give up their study period and are appointed by the various teachers to keep the halls quiet and enforce all rules.

The before-school monitors keep the halls emptied until 8:15 of students who don't have passes.

These enthusiastic boys handle the lights and stage settings for assemblies, supervise classroom films, and manage the public address system. They also play a part in various evening programs. Their supervisor is Mr. Yount.

Vis-Aiders & Movie Operators

Mr. Yount advises the Vis-Aiders who operate the audio-visual machines in the classrooms.

The movie operators, under the direction of Mr. Stephens, donate their study periods to provide entertainment during the lunch periods.

Assembly Ushers

Mr. Gregory's homeroom and first hour class serve as assembly ushers for the whole school. Before every assembly they help find seats for the guests and keep students from trampling each other by slowing up those who try to run to get the best seats.

Choir and Sextet

We are proud of our A Cappella Choir. Under the direction of Miss Sigrid Greenhill, the choir is a very busy and talented group. It is the most advanced of the music classes, and it participates in many activities.

The girls' sextet is chosen at the beginning of every semester. Both the sextet and the trio help in activities other than school programs.

Music, Music, Music

Boys' and Girls' Glee Club

The boys' and girls' glee clubs are made up of capable young singers chosen by Miss Sigrid Greenhill. These two classes meet every other day to learn the techniques of good singing. The members of the glee clubs not only gain musical knowledge and experience in group singing, but they learn how to read music correctly, how to sing in good harmony, and how to improve tone quality.

Very often the members of these groups become members of the A Cappella Choir after they have spent a semester or more in the glee club. Some students take glee club and choir both in order to earn a music major. The experience of working on songs in class and occasional performances have helped many of these students in going on with music after graduation.

Band and Majorettes

The East High band is an active, capable group of students. Besides pep assemblies and basketball games, it must also prepare for such activities as the Spotlight Parade, the Spring Festival, and the Memorial Day Parade. James Thompson is drum major, and Bob Gallagher is student director.

Our pretty strutting majorettes are chosen by Mr. Jack Borg for their ability to twirl batons and to march with the band. They make a picturesque scene leading our band in a parade.

Symphony

Orchestra

Another group under the direction of Mr. Jack Borg is the East High Orchestra. Although not as active as the band, the 46 piece orchestra plays for such important programs as the all-school play and the senior week activities, and light tunes are picked for these programs. These students have been playing such numbers as Schubert's "Unfinished Symphony" and Howard Hanson's "Nordic Symphony."

And The Music Goes 'Round And Around

Dance Band

Mr. Jack Borg chooses students for such groups as the Dance Band, the Brass Quartet, and the Clarinet Quartet.

The Brass Quartet, composed of Bob Gallagher, Duane Lewis, Vincent Schneider and Jim Thompson, and the Clarinet Quartet, composed of Ann Watson, Everett Albers, Ronald Scott and Jimmy Johnson, were in Iowa City March 8 participating in a woodwind and brass ensemble clinic. They played before a group of high school and college people, and their efforts were criticized by Dr. Von Bodegraven of New York University.

Wardrobe and Makeup Girls

The wardrobe and makeup girls are the hidden element in the success of our all-school plays and numerous assemblies. They see that the characters are dressed properly to fit their parts, and that everything is ready when needed. They also are the ones who keep our costume room in order.

Row 1: Read, Overton, Wells, Cairney; **Row 2:** Pierce, Farstrup.

All-School Play

The all-school play, presented on April 3-4, was a hilarious success. The play, entitled "My Friend Irma," was one in which Irma fell for another man besides Al, but not for long.

The well-suited characters were as follows: Sharon Bittle as Irma; David Leonetti as Al; Ramona Quirk as Jane Stacy; Marty Schrock as Richard Rinelander, her boss; Lyle Griffiths as Don Turner, the man Irma almost married. Other members of the cast were Harlan Christianson as Teddy Brown; Judy Burger as Mrs. O'Reilly; David Howard as Professor Kropotkin; Bob LeMar as B. K. Abercrombie; Barbara Buckroyd as Winnie; and Janyce Dove as Madam Magda.

Spanish Club is open to any who have been students of Spanish. The initiation of new members and songs in Spanish lend an air of gaiety, which makes the Spanish Club one of the largest in school. Miss Frances Brewer is advisor, and Marilyn Fisher is president.

Latin Club

All Latin students may join Latin Club. The main event of the semester's activities is the Roman Banquet. All the costuming and actions are authentic. They also give short plays and sing songs in Latin. Miss Winifred Cummings is director, and Bob Ballough is Consul.

Hambone

Radio Class

The radio class is under the supervision of Mr. Kenneth Wittkop. Students write their own skits and cast them, which are recorded on the tape recorder. The all-school radio station, K.D.P.S., plays an important part by helping the students put their knowledge to practical use through announcing, writing and acting.

Slow-Poke

Chess and Checkers

The Chess and Checkers Club is sponsored by Mr. J. A. Seevers, who claims he is still one of the best players. Although the members are slow-pokes at first, as the semester passes they become quite proficient. The tournament is the main event of the semester.

It Is No Secret

Fellowship Club

The Fellowship Club is a student organization for students who prefer having some spiritual fellowship during the day rather than attending the noon movie. One person takes charge of the meetings each week and leads the group in musical numbers and choruses. Every Friday at 8:00, the groups from all three lunches meet and have special speakers. The Fellowship Club is a very worthwhile organization as it offers spiritual guidance to all the students.

Booster Club

The Booster Club is open to all enthusiastic students of East High. The four cheer-leaders are the managers of the club. The purpose of it is to organize the student cheering section, so they will know the yells, and wear the proper colors at the games. Usually there is a section reserved for the cheering students.

Hi-Y Club

Hi-Y is one of the largest boys' clubs in East. Mr. "Gus" Rump is the advisor; Wayne McLain, the assistant advisor; and Otis Irwin, the president. The boys must attend five meetings before they get their membership pins. They meet every Wednesday at 8:00. They usually have famous guest speakers.

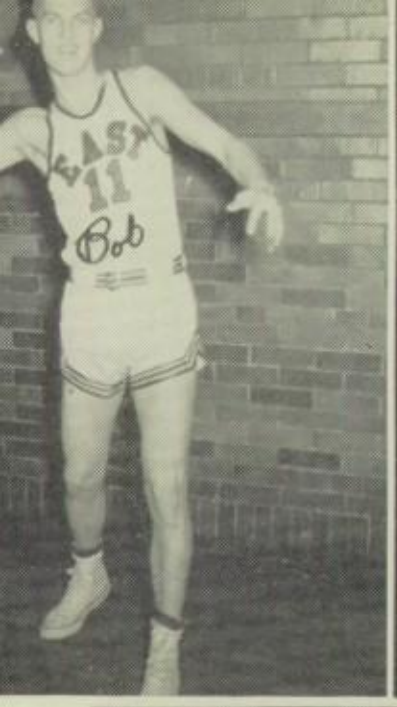
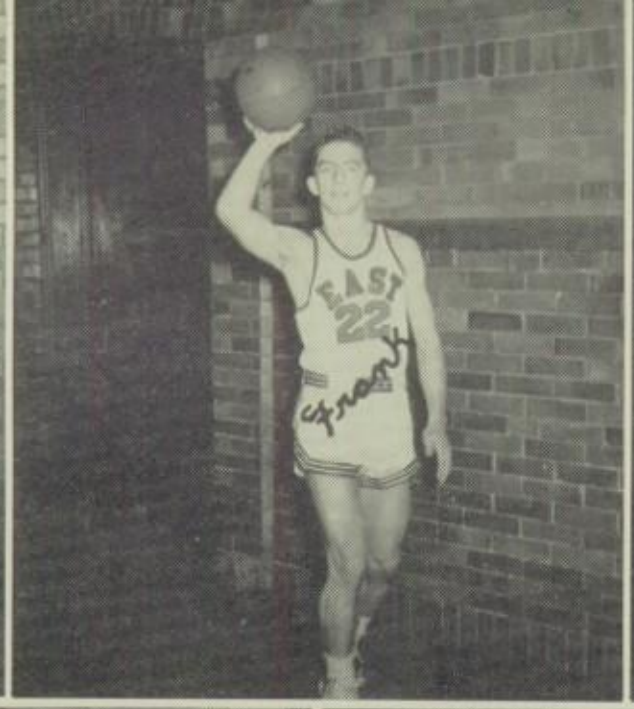
COACH WEBB

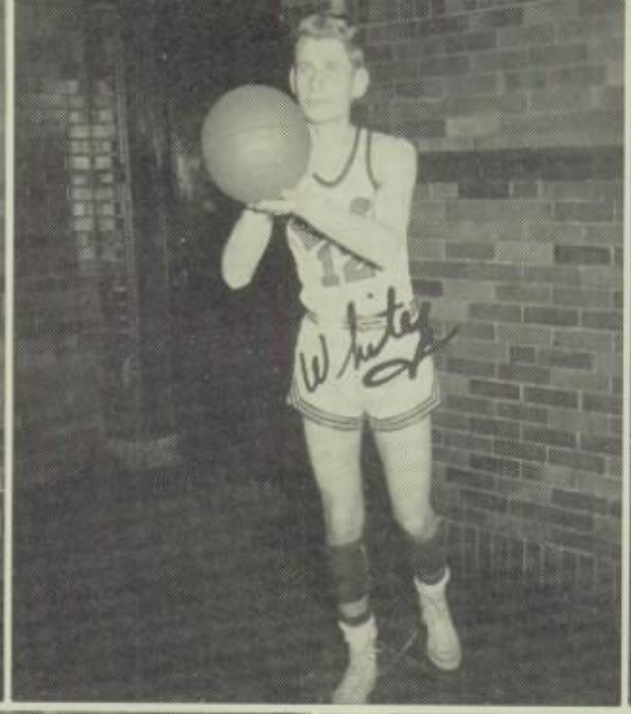
First Basketball Team

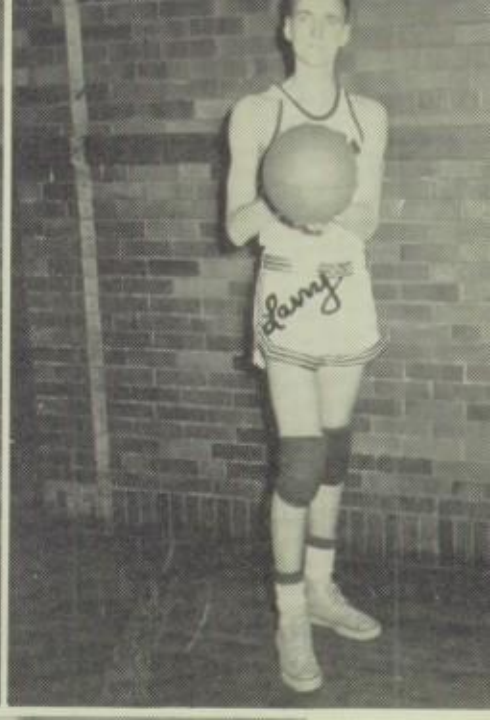
Bless You

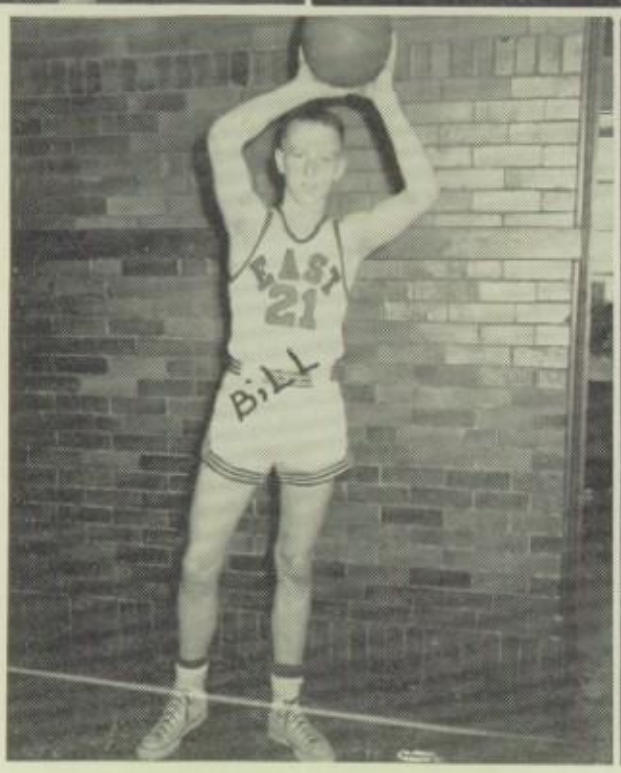
Although getting off to a slow start this season, our basketball team proved themselves by working their way up to tie for second place in the city series with Roosevelt. They won the district game, which enabled them to go to the sub-state meet at Ames. There, after playing an exceptional game, our team lost to Ames High 57-52. During the past basketball season, our team had a record of nine wins and eleven losses. These boys are well deserving of our thanks for the fine job they have done in representing our school.

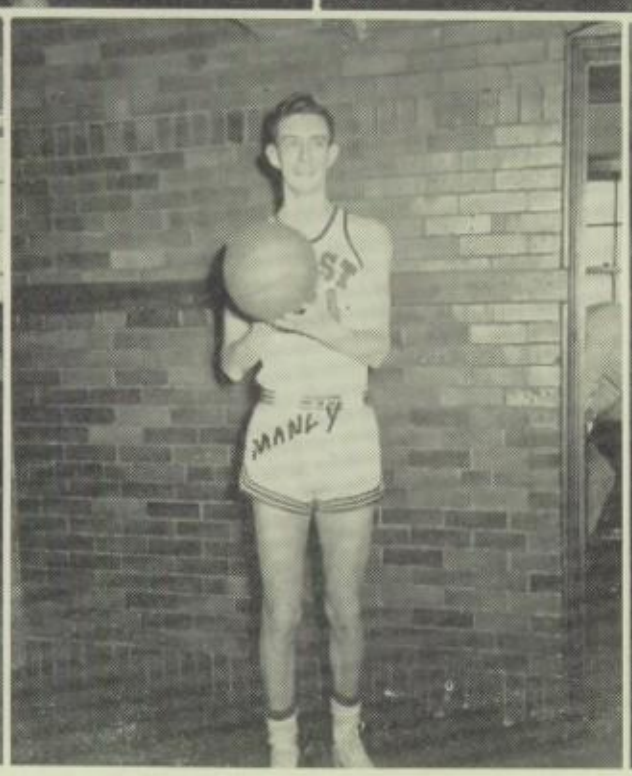


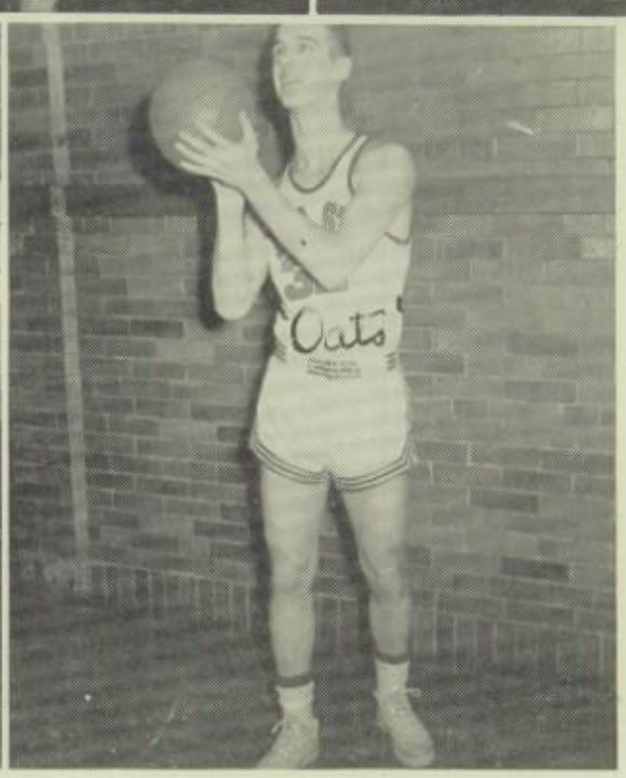












Count Every Star

Second Basketball Team

Much credit is due the second basketball team, for they work hard and play good games. These boys are working toward positions on the first team. This season ended with a standing of ten wins and ten losses.

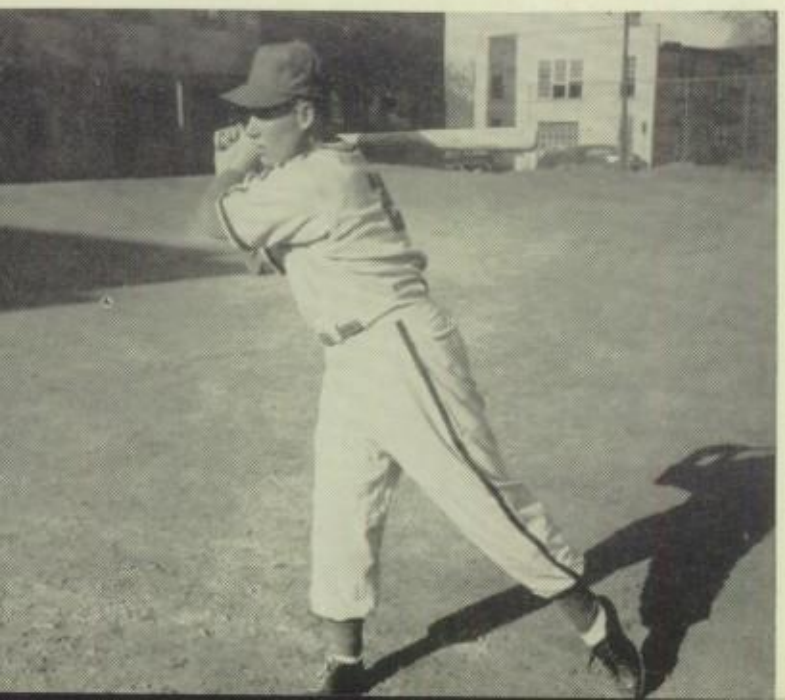
Take Me Out To The Ballgame

Baseball Team

The baseball team, coached by Mr. Bob Savage, started practice in the latter part of March. The team works hard, and all the boys deserve a lot of credit. This is the first year Coach Savage has had the team. Through his efforts the team made a fine record.



Row 1: Damon, Johnson, Raspotnik, Rife, Fredregill; **Row 2:** Swenson, Miller, Child; **Row 3:** Jenson, Thompson, Wing, Wells, Reeves, Haag; **Row 4:** Neibling, Harper.

Girls' Tennis Team

Girls have an opportunity to earn a G.A.A. letter by going out for tennis. The team, coached by Miss Helen Spencer, practices on Amos Hiatt's field after school.

Two Loves Have I

Boys' Tennis Team

East High is proud of the fine tennis team. Under the coaching of Mr. Raymond Gewerth, the boys work out each night to improve their game. They deserve much credit.

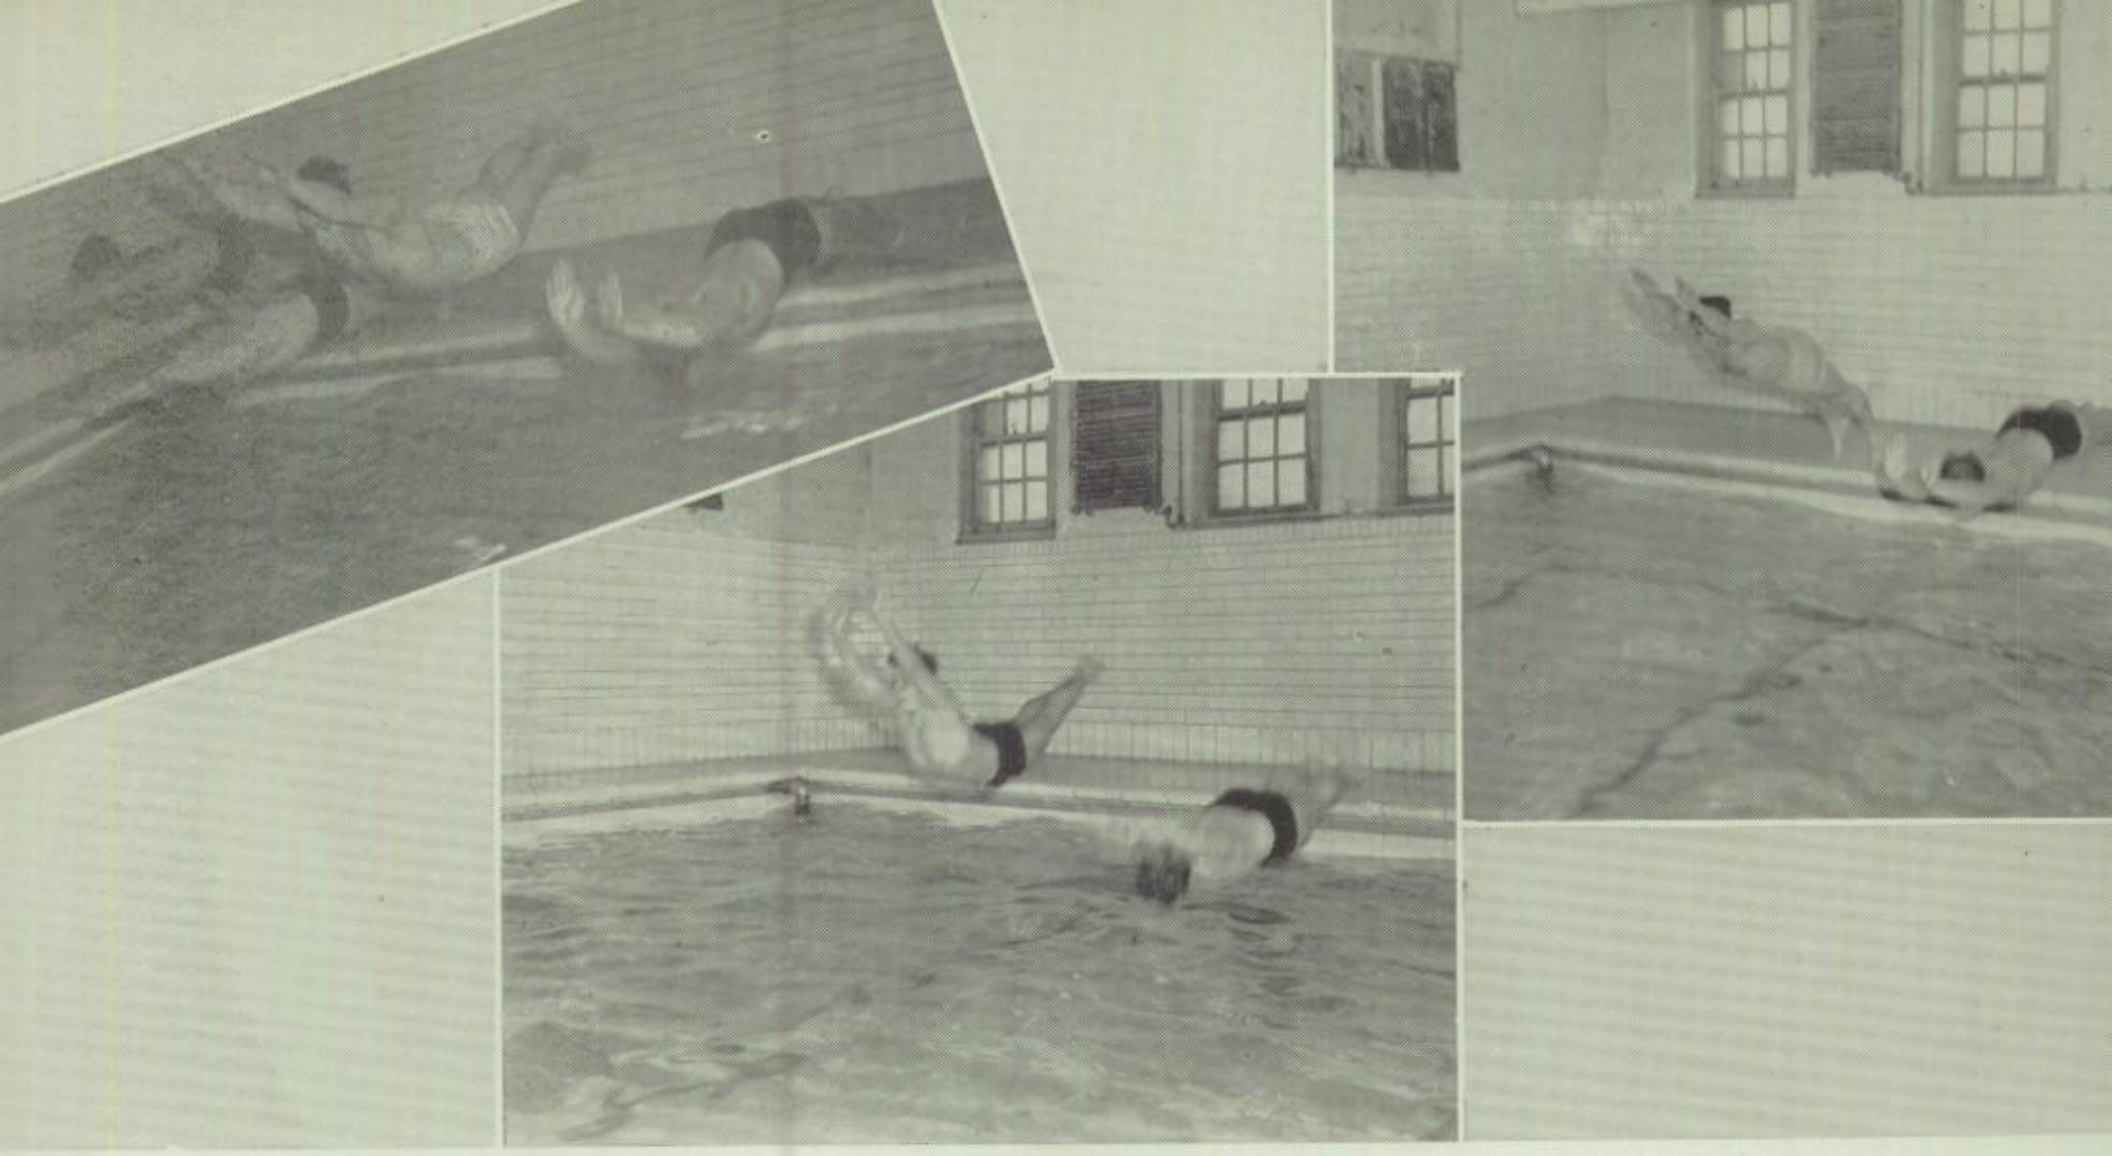
Equipment Managers

We can't forget five of the most important people in athletics. Although they don't participate actively in the game always, they are there to help with the management of suits and materials.

Liz Raspotnik, Ruth Damon, Betty Toney, JoAnn Jesser

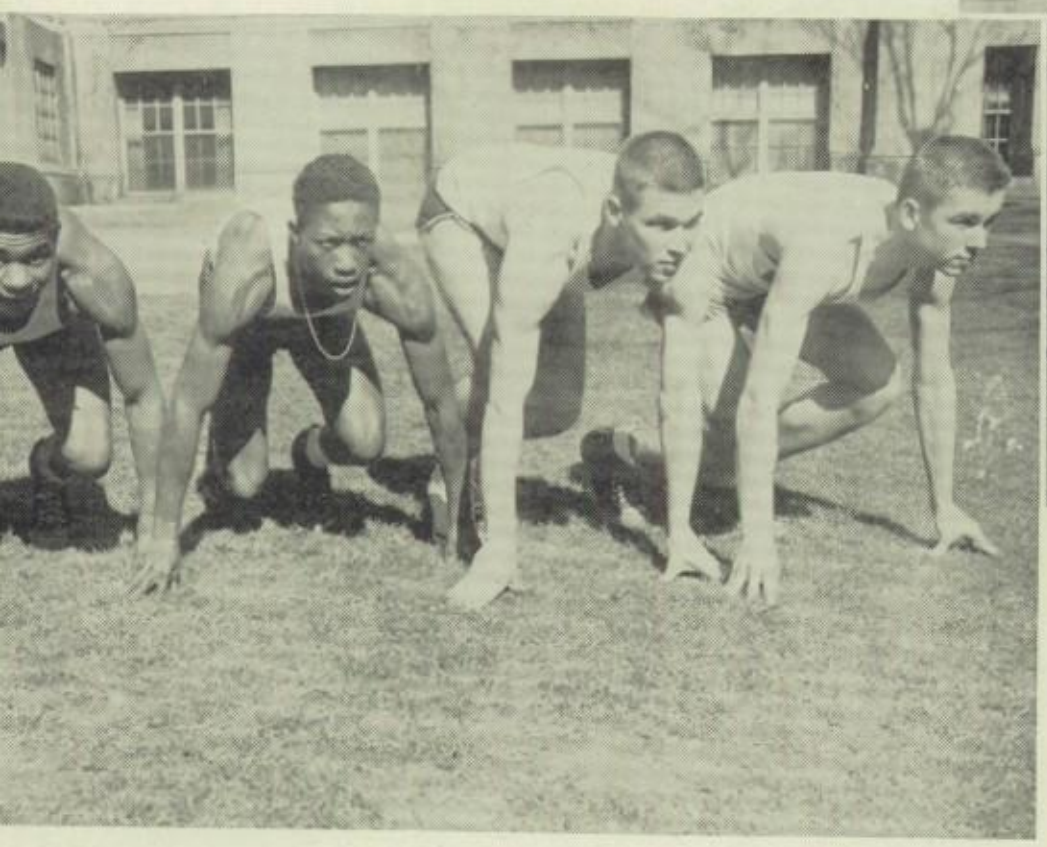


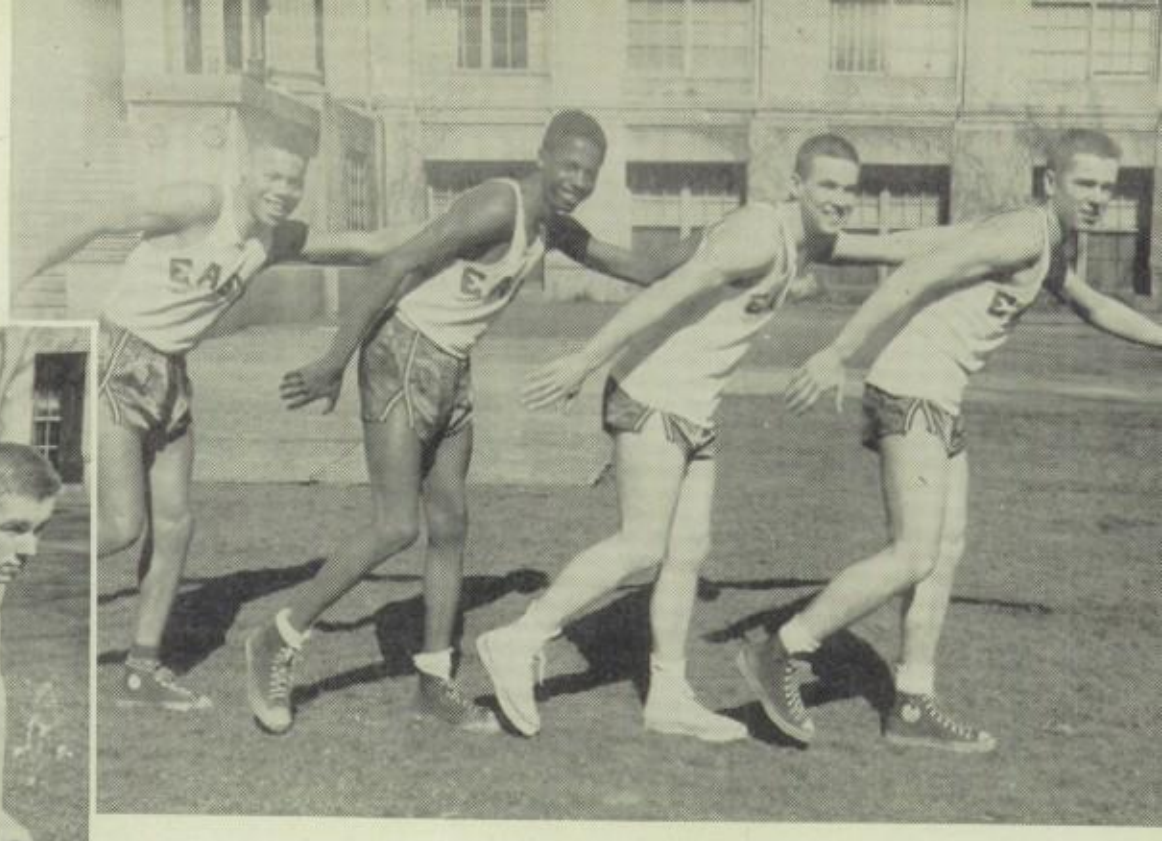
Swimming Team

Coach Scotty Russell puts the boys through their paces each night in preparation for the meets held in the Roosevelt, Lincoln, and North tanks. Although we haven't won every meet we've entered, we have certainly shown the capability of a true swimming team. Teamwork is, of course, the true ingredient of a successful squad, and for our money, we have just that. We can't always win, but we can certainly put on a good meet. Not all of the squad will be back again this coming fall, but we hope that the remaining members will do as well next semester as they have done this year.

Row 1: Larry Hockersmith, George Mackrill, Dennis Mills, Jerry Cosner, John Rowland; **Row 2:** Melvin Lambert, Jerry Katzman, Dave Sears, Bill Gould, Don Seaboch, Larry Forbes.

How Deep Is The Ocean?





Track Team

The sound of the gun and a hearty "they're off!" Yes, once more it's time for our boys to run their hearts out in order that we might add some more trophies to our treasured cases in the front hall. Track, although once rated as a secondary sport, has taken a place in the hearts of the East High students. The loyal members of the cross country team are pictured here after many long hours of running through rain, sleet, and snow. We all realize how hard they have worked. Let's let them know that we're behind them.

Dear Diary, Feb. 29

As I passed the auditorium fifth period I heard music within. There was the band sitting as pretty as you please with a microphone hanging down from the ceiling. This really had me puzzled so after school I went down and asked Mr. Borg what the deal was. It seem they were recording for a radio program for K.D.P.S., the new station for the public schools.

There has been an epidemic of the old fashioned flu going around. The doctor said it is the same kind that went around during World War I, but the new drugs have prevented it from becoming so widespread and fatal. Dear Diary,

Boy, there sure are a lot of new clubs around here. Today in homeroom it was announced that there are to be meetings Thursday morning to organize a Public Address and Visual Aid Club in Mr. Yount's room and a model airplane club in room 120. Earlier this semester a Spectator Club which meets before school and a Horizon Club have been organized while an Industrial Arts Club is to be formed Friday.

Dear Diary, March 22

Davenport has for the third consecutive time won the state basketball tournament. Last night at the school party when they announced that Roland, the team which kept us from playing in the finals last year, had been defeated, the kids really whooped, but they whooped a little more when it was announced that Davenport was behind. But shortly after that announcement Davenport took a sudden turn for the best and won by quite a margin.

Dear Diary,

Due to the city track meet Friday night the Spinster Spree has been postponed until May 2. In its place the senior class is going to have a potluck supper and then go to the track meet in a body. If enough of the kids are to go on the bus they are going to charter a bus. Sounds like fun.

Dear Diary, April 4

At the Senior-Parent dinner my folks were dreading having to wait in line for everything, dry speeches and only a mediocre play. Both of them were gladly disappointed. We didn't have to wait in line even though the cafeteria was packed, the speeches by Darrell Klemme, Otie Nicholson and Ann Treadway were far from dry, and the play "My Friend Irma" was very amusing.
